**EPO**

**122nd Session**

**Judgment No. 3710**

THE ADMINISTRATIVE TRIBUNAL,

Considering the sixtieth, sixty-first, sixty-second, sixty-third, sixty-fourth and sixty-fifth complaints filed by Mr P. A. against the European Patent Organisation (EPO) on 2, 3, 4, 5, 8 and 28 April 2014, respectively;

Considering Article II, paragraph 5, of the Statute of the Tribunal and Articles 6 and 7 of its Rules;

Having examined the written submissions;

**CONSIDERATIONS**

1. In these six complaints the complainant seeks to impugn the decisions, taken in March 2014, rejecting his internal appeals registered as RI/1/13, RI/2/13, RI/135/10, RI/142/10, RI/144a/11 and RI/145/11.

2. Having noted several deficiencies in the complainant's submissions, the Registrar asked him to correct his complaints, in accordance with Article 6, paragraph 2, of the Rules of the Tribunal. For the sixtieth and sixty-first complaints, an initial request to that end was sent on 8 April 2014. The complainant provided corrected submissions on 23 April, but further corrections proved necessary. On 5 June 2014

the Registrar asked him to submit his corrected submissions by 19 June. Also on 5 June, the Registrar informed the complainant that corrections to his sixty-second, sixty-third, sixty-fourth and sixty-fifth complaints were required. The complainant was asked to correct these complaints by 6 July 2015.

3. Given that none of the corrections requested on 5 June were made by the complainant within the stipulated time limits, as required by the above-mentioned Article 6, the present six complaints are clearly irreceivable and must be summarily dismissed in accordance with the procedure provided for in Article 7 of the Rules of the Tribunal.

#### DECISION

For the above reasons,  
The complaints are dismissed.
