Training expectations and program outline

Georgina Pascual, GBA

Foundation Training on Green Jobs

19-20 July 2011

ASIAN 2006
DECENT WORK
DECADE 2015

What we learned from the training needs assessment

- Some have been involved in environmental initiatives in their own organizations;
- Most are willing to share their related experience and related concerns , to contribute to the content of the training program
- Common motivation: increase knowledge (approaches, tools for policy) to support implementation in their own organizations; opportunity to network
- Use of learning: mainstreaming, communicating to other members of the organization & community
- Learning methods : interactive, experiential

International
Labour
Organization

Topics of interest – Top 3

Awareness about climate change,
adaptation & mitigation

Good practices / examples of
constituent roles in promoting green
jobs and/or just transition principles

Application of approaches such as
