EU-ILO Project
ENHANCING THE LABOUR ADMINISTRATION CAPACITY TO IMPROVE WORKING CONDITIONS AND TACKLE UNDECLARED WORK
JUNE 2018-AUGUST 2019

National legal framework on OSH and EU directives

White Paper on EU Directives and Reform of OSH and Labour Relations’ Legislation and road map were validated

50 experts were informed about the best ways to implement EU OSH directives

Sustainable reform should start with the adoption of the law implementing the EU OSH Framework Directive 89/391/EEC

In total, 465 stakeholders’ representatives improved their knowledge on EU Acquis OSH, OSH risk management and labour inspection techniques

Fighting undeclared work (UDW)

Draft national action plan to fight undeclared work submitted to Government for consultations, finalization and approval

National communication campaign on UDW, mediplan and visuals were developed

30 specialists of mass-media units of SLS, other authorities, social partners were better prepared for the implementation of UDW campaign through 3 trainings

Labour inspection (LI) capacity building

256 SLS labour relations inspectors and 16 TU legal inspectors were trained on inspection and communication techniques to better detect and deter undeclared work

A team of 9 labour inspectors developed the basic skills as trainers and are better prepared to train their colleagues without Project’s supervision

85 SLS OSH inspectors, 15 TU technical inspectors and 13 OSH experts were trained as trainers on EU OSH Acquis and OSH risk management in 3 sectors with the highest occupational accidents incidence rates. They are able to train colleagues

Report and recommendations on the modernization of SLS information system were validated

Approx. 900 decision makers, experts, social partners were informed through 17 stakeholders’ events on European and International standards and best practices OSH, labour inspection, labour relations and undeclared work

Portuguese and Ukrainian labour inspectorates signed a MoU on Cooperation

Portuguese Labour Inspectorate (ACT) and learned about its best practices on OSH, UDW, LI
