2018

# YES Goals

- 1 Make the social economy sector known, namely its important role in the country's socio-economic development
- 2 Promote the values and guiding principles of the social economy
- 3 Encourage knowledge of the entities that make up the sector, as well as the economic and social activities they develop
- 4 Publicize the sector from the perspective of employability and collective entrepreneurship, as a potential employer and as a promoter of self-employment
