

# Checkpoints

*The new series of occupational safety and health apps from ILO*

**Scan the QR code or visit the App Store to download**

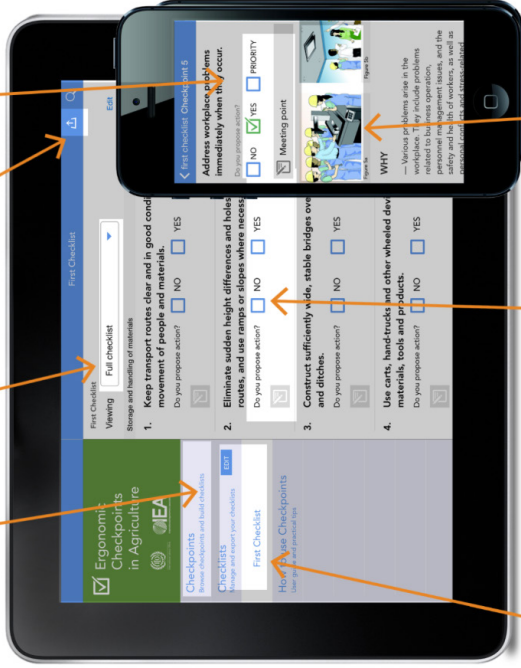

*Questions or comments? Email us at **ilopubs@ilo.org** or join us on Twitter **@ILOPubs***

Start by viewing  
all checkpoints  
from the main  
menu

Email date-stamped checkpoints  
as CSV and PDF files

Filter checkpoints  
by action, priorities  
and notes

Add notes and  
priorities from  
within a  
checkpoint

Create, edit and  
delete multiple  
checklists

Tick a checkpoint if  
you propose action,  
add a note and make  
a priority

On a phone,  
swipe left and  
right to view all  
images

Create or edit a note  
by tapping on the  
note icon

Tap an image for  
full screen view
