- (c) An applicant wishing to follow an apprenticeship in building trades should have completed a two year basic course at Gerolamo Cassar School of Building, Floriana, or the Kelinu Galea School of Agriculture and Building, Xewkija, Gozo, and passed the set assessments/examinations, or should have completed the fifth year of Secondary Level Education.
- (d) An applicant wishing to follow an apprenticeship in a handicraft trade should have completed a two year basic course at the Salvatore Dimech School of Craftsman, Mosta, and passed the set assessments/examinations, or should have completed the fifth year of Secondary Level Education and is in possession of S.E.C. in Art or Graphical Communication.
- (e) An applicant wishing to follow an apprenticeship in a catering and other hospitality trade should either have completed the fifth year of Secondary Level Education and is in possession of S E C. in Home Economics, or have completed a two consecutive year Technology Education Course (B), and passed the set assessments/examinations.
- (f) An applicant wishing to follow an apprenticeship in tailoring should either have completed the fifth year of Second Level Education and is in possession of S.E.C. in Needlecraft, or have completed a two consecutive year Technology Education Course (B), and passed the set assessments/examinations.
- (g) An applicant wishing to follow an apprenticeship in hairdressing or printing should have completed the fifth year of Secondary Level Education, and is in possession of a good School Leaving Certificate.
- (h) Applications from students who have already followed an apprenticeship scheme shall not be accepted.
- (i) Applicants may be required to sit for a test and/or an interview to determine their level of proficiency prior to being accepted to join the Scheme.
- (j) No person may enter into an agreement of apprenticeship in any of the callings mentioned in this Scheme unless he has been exempted by the Director

General, Education from the requirements mentioned in paragraphs (a) to (i).

4. (1) The period of apprenticeship shall not be less than two years and more than four years. Period of apprenticeship.
- (2) In the case of apprentices wishing to follow an apprenticeship in the Mechanical, Electrical, Woodworking or Handicraft trade, they will be required to attend a one year broad-banded programme.
5. An employer engaging an apprentice under this scheme shall undertake to instruct him and grant him facilities to be instructed in accordance with such schedules of work as the Director General, Education or the Chief Executive may from time to time establish in connection with any particular trade. Undertaking by the employer.
6. During the apprenticeship all apprentices shall be required to attend an Educational Establishment approved by the Director General, Education for the acquisition of theoretical knowledge on such days or for such periods as the Director General, Education and the Chief Executive of the Corporation may determine, and the employer shall release the apprentice for such attendance. Apprenticeship years.
7. The employer shall provide the apprentice with training in accordance with the calling for which the apprentice has been engaged. The Chief Executive of the Corporation or the Director General, Education may require the employer to furnish reports of the apprentice's progress from time to time and may require the apprentice to be submitted to such tests as may be necessary to ascertain that he has achieved adequate progress. Training in the calling.
8. The hours of work of apprentices shall not exceed the ordinary hours applicable to the employer's establishment in accordance with the provisions of the Employment and Industrial Relations Act: Hours of work.  
Amended by:  
L.N. 367 of 2004.  
Cap. 452.
- Provided that an employer may engage an apprentice on overtime with the prior approval in writing of the Chief Executive who may, in granting such approval, impose such conditions as he may deem fit. The rates of remuneration for overtime work shall be those specified in the wage regulation order applicable to the establishment:
- Provided that the provisions of this regulation shall be subject to the provisions of the Young Persons (Employment) Regulations, in the case of apprentices between fifteen and eighteen years of age. S.L. 452.92
9. (1) An apprentice under this Scheme shall be entitled to a maintenance grant and a wage as follows: Maintenance grants and wages.  
Substituted by:  
L.N. 180 of 1999.  
Amended by:  
L.N. 5 of 2000;  
L.N. 108 of 2003;  
L.N. 424 of 2007.
- (a) during the first year of the apprenticeship -
- (i) a grant of €326.11 paid on a once-only basis to cover expenses related to the purchase of educational equipment,
  - (ii) a fixed maintenance grant of €3.17 per month made available during the academic year, and
  - (iii) a €32.94 per month, outside the academic year

payable to apprentices participating in on-the-job training with an employer's establishment, approved by the Corporation;

(b) during the second year of the apprenticeship -

(i) apprentices attending full-time at the educational establishment shall be eligible to (a)(ii) and (iii) above; while

(ii) apprentices attending part-time at the educational establishment shall be eligible for the following -

a maintenance grant of €93.17 per month for twelve months paid by the Government, and a wage of €2,492.43 per annum paid by the employer;

(c) during the third year of the apprenticeship -

(i) a maintenance grant of €93.17 per month for twelve months paid by the Government, and

(ii) a wage of €2,608.90 per annum paid by the employer;

(d) during the fourth year of the apprenticeship -

a wage of €3,843.47 per annum paid by the employer.

(2) The wage payable by the employer shall be paid at regular intervals according to the practice of the establishment.

(3) From the year of the apprenticeship that apprentices become eligible to initiate their on-the-job training, apprentices will be entitled to half the annual statutory bonus payable in accordance with article 23 of the Employment and Industrial Relations Act. The bonus is payable by the employer.

(4) Regulations 11, 12, 13 and 14 shall apply from the year of the apprenticeship that the apprentice shall become eligible to initiate the on-the-job training.

(5) Maintenance grants are paid to apprentices who -

(a) are Maltese citizens and with at least one parent being a Maltese citizen,

(b) have resided in Malta for a period of not less than five years from the date of commencement of the apprenticeship.

(6) (a) First year apprentices who are eligible to start their on-the-job training during the second year, shall not be entitled to the maintenance grant during the period outside the academic year, unless they attend for practical training at an establishment approved by the Corporation.

(b) The same principle as above applies to those second year apprentices who are eligible to start their on-the-job training during their third year of apprenticeship.

(7) Apprentices who absent themselves from the theoretical tuition at school shall have their maintenance grant deducted accordingly.

(8) Apprentices who absent themselves from practical training shall have their wage deducted by their employer accordingly.

(9) Apprentices who are required to repeat a year of the apprenticeship, shall not be entitled to the maintenance grant during the year that they repeat. However, they will be entitled to the wage issued by the employer provided they attend for practical training.

10. Apprentices shall be entitled to national holidays with full pay and to all public holidays with full pay and to such working days vacation leave calculated as follows:

Holidays.  
Substituted by:  
L.N. 108 of 2003.

two days of vacation leave for every twenty days attendance at the employer's establishment, accumulated as on-the-job training;

the employer shall not grant such days of vacation leave on any day during which the apprentice is required to attend an educational establishment in accordance with the provisions of regulation 6.

11. An apprentice shall be entitled to fifteen working days sick leave on full pay and to a further fifteen working days on half pay in every calendar year less any sickness benefit to which he may be entitled under the Social Security Act, so however that a medical certificate certifying incapacity for work covering the period of absence is produced to the employer, who may require his medical practitioner to examine the apprentice.

Sick leave.

Cap. 318.

12. An apprentice shall be allowed two days paid leave on the occasion of the death of any of the following: the wife, husband, mother, father (or the person who at the time was in fact acting as mother or father, as the case may be), son, daughter, brother or sister of the apprentice.

Bereavement leave.

13. Apprentices shall be allowed three working days paid leave on the occasion of their marriage.

Marriage leave.

14. An apprentice shall be entitled to one year injury leave on full pay less the full amount of any injury benefit to which the apprentice may be entitled under the Social Security Act, if he is injured during the actual discharge of his duties at a work place and the injury is not due to any contributory negligence or to any contravention of safety rules laid down by management.

Injury leave.

Cap. 318.

15. (1) Apprentices shall follow such study courses and sit for such examinations as laid down in the course schedule.

Termination of apprenticeship.

(2) Apprentices who fail one of either the annual examinations or the annual practical tests for two consecutive years shall have their apprenticeship terminated.
