February 2022

## The new world of work: Challenges and opportunities for social partners and labour institutions

This book examines social dialogue and the role of social partners in the governance of the world of work in 34 European countries.

Book: [The new world of work: Challenges and opportunities for social partners and labour institutions \(ilo.org\)](#)

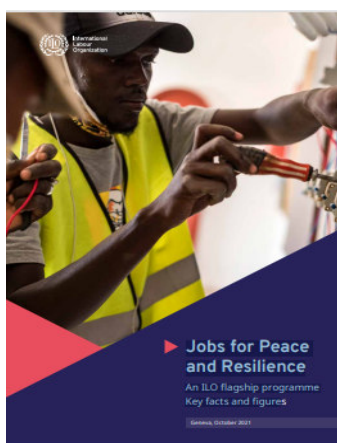

Publishers: *Edward Elgar Publishing and ILO-Geneva*

## Youth employment in times of COVID: A global review of COVID-19 policy responses to tackle (un)employment and disadvantage among young people

The report provides a snapshot account of the types of government response to the social and economic impacts of the pandemic, policy and evidence gaps, and future challenges.

[wcms\\_823751.pdf \(ilo.org\)](#)

Publisher: *ILO -Employment, Labour Market and Youth Branch*

## Jobs for peace and resilience: Key facts and figures

This brochure provides information about the implementation of the Jobs for Peace and Resilience (JPR) flagship programme. The JPR was launched in 2016 to contribute to more peaceful and resilient

societies through employment, decent work and social dialogue.

[wcms\\_738531.pdf \(ilo.org\)](#)

Publisher: *ILO-Geneva*

## How to organize my job search? A step-by-step guide for job seekers and those who support ..

This guide explains how to define an effective job search strategy. It helps you understand the job market, **define your targets, create your** communication tools and media, use the internet, and ultimately, successfully integrate into the new company. Intended for autonomous job seekers, it can also be used as a support tool by counsellors at employment agencies around the world.
