Participation**

CENTENARY DECLARATION

Transformative change in the world of work

The world of work is experiencing transformative change, driven by technological innovations, demographic shifts, climate change and globalization.

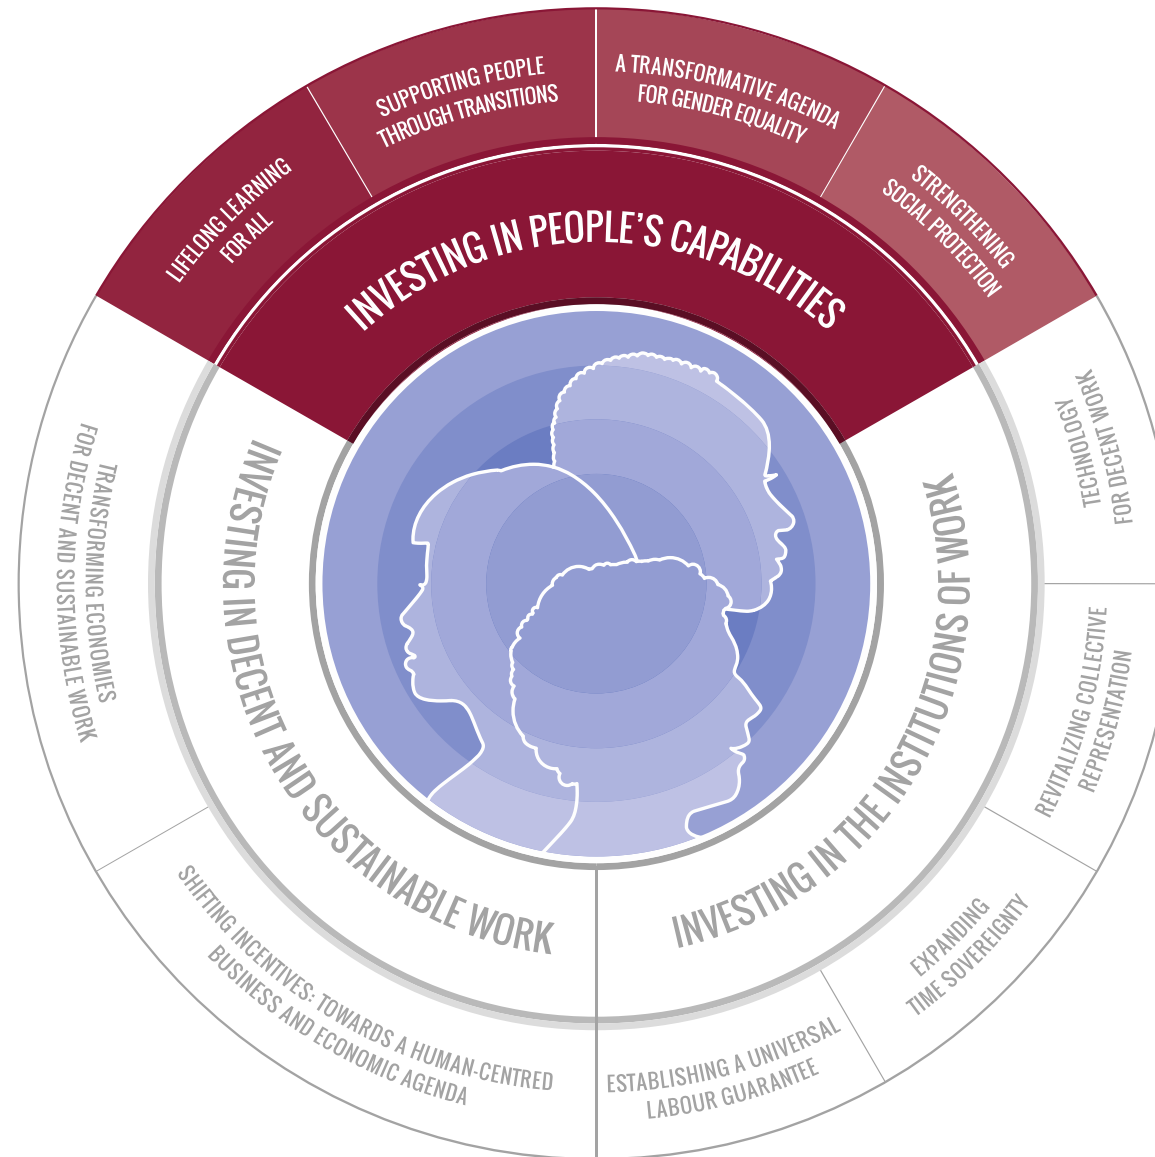

CENTENARY DECLARATION Background and timeline

- **2013 Director-General proposes Centenary Initiatives**
- **2015 Centenary Initiative on the Future of Work**
- **2016-2017 National dialogues around the globe**
- **2019 January - Report of the Global Commission on the Future of Work**
- **2019 June - Centenary Declaration for the Future of Work**

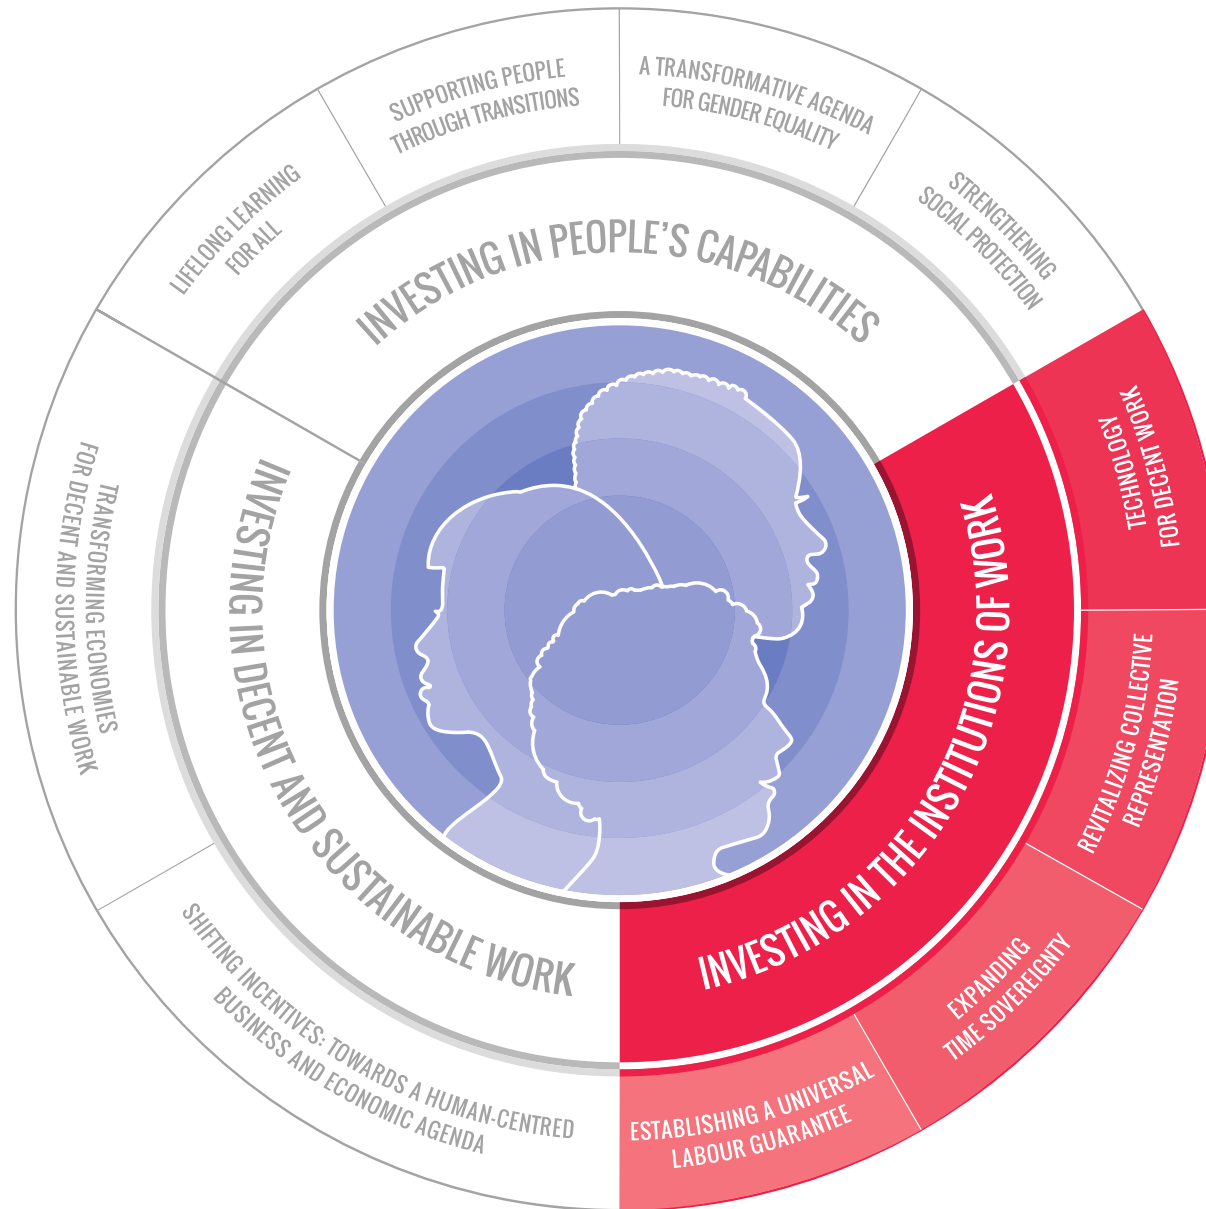

▶ **A human-centred approach based on three priorities of action for the future of work we and want to see and shape together**

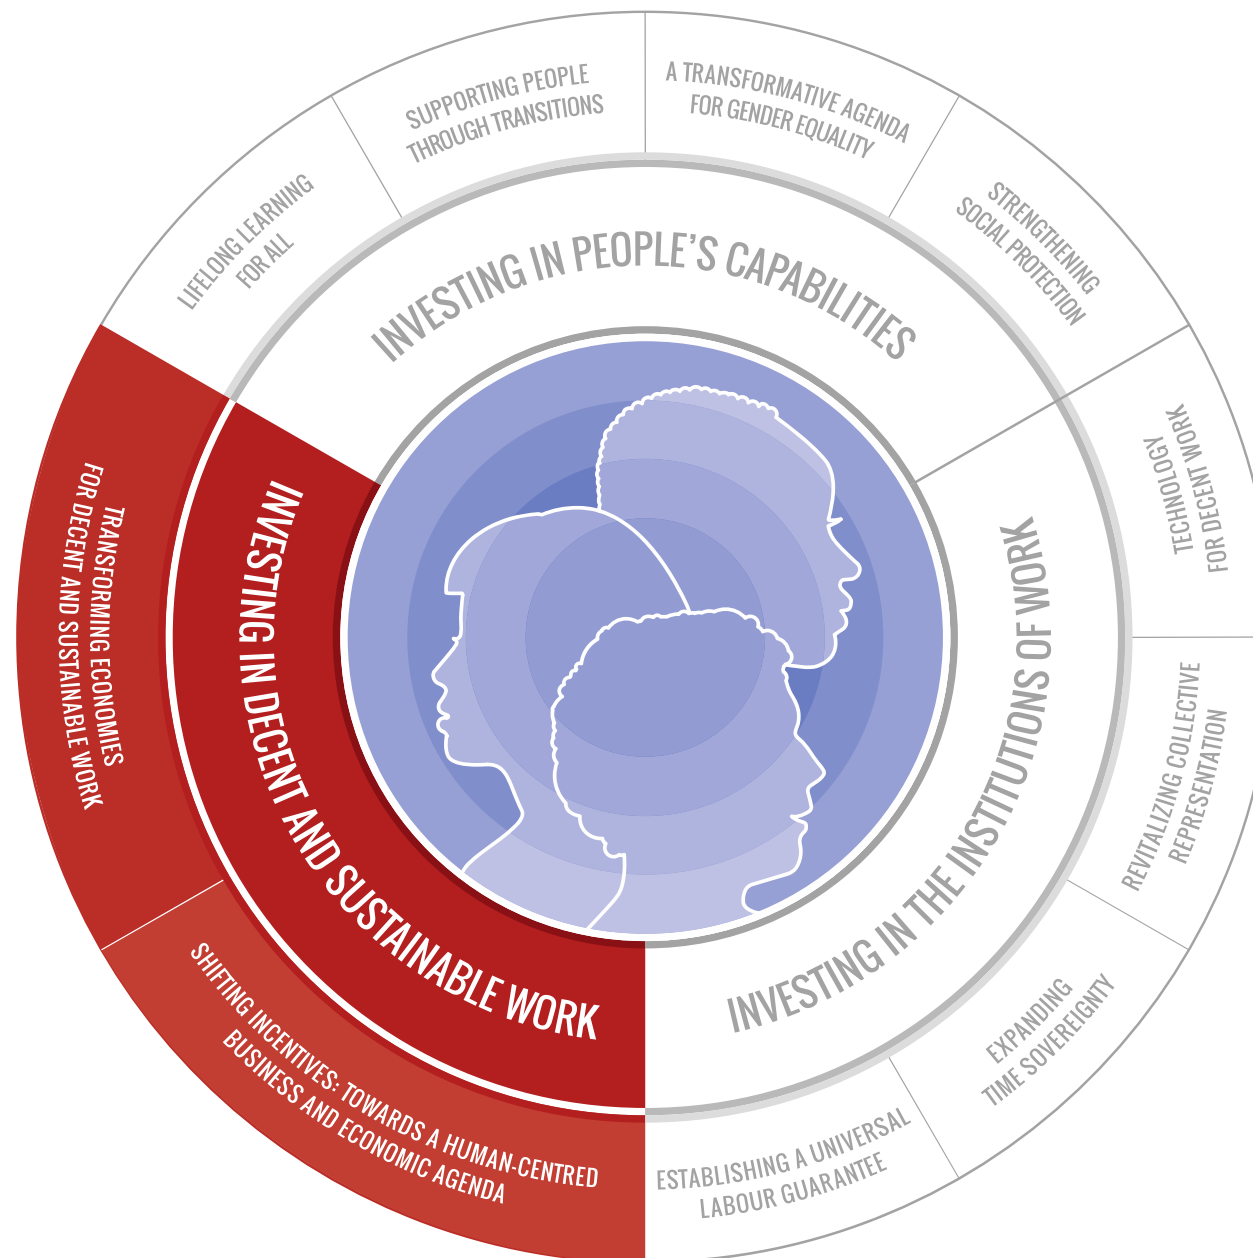

Investing in people's capabilities

Investing in the institutions of work

Investing in decent and sustainable work

“The ILO Centenary Declaration for the Future of Work is a roadmap, a compass to take us forward in the future of this Organization, because the future of work is the future of our Organization”

► ILO Director-General, Mr. Guy Ryder.

► Role of Academia
