

## Sub-regional meeting to validate findings of the Migrant Welfare Fund Feasibility Study conducted in Myanmar, Cambodia and Laos

Vientiane, Lao PDR  
May 26 - 27, 2015

### GUIDE QUESTIONS

*The main outputs of this meeting are*

- *to validate the recommendations of the study*
- *to identify important activities that would help your country establish a National Migrant Welfare Fund*

*As a country group, please answer the following questions and produce a country plan:*

- 1) The Lead Consultant has presented a Blueprint showing how a Migrant Welfare Fund can be established in your country. **How can the proposed blueprint be improved in reflection of your national labour migration context, government structure and priorities?**
- 2) **What would be the important strategies and actions required in order to establish your Migrant Welfare Fund programme?**

*Suggestions:*

- List activities that need to be conducted
  - Identify what needs to be done in the first year
  - Identify what needs to be done within 2-3 years
- List partners that need to be engaged and what their role would be
