

Disclaimer

The designations employed in ILO and WTO publications, which are in conformity with United Nations practice, and the presentation of material therein do not imply the expression of any opinion whatsoever on the part of the International Labour Office or the World Trade Organization concerning the legal status of any country, area or territory or of its authorities, or concerning the delimitation of its frontiers. WTO state and territory denominations have been utilized in this publication, as its membership basis (states, as well as separate customs territories) is broader than that of the ILO. The responsibility for opinions expressed in studies and other contributions rests solely with their authors, and publication does not constitute an endorsement by the International Labour Office or the World Trade Organization of the opinions expressed in them. Reference to names of firms and commercial products and processes does not imply their endorsement by the International Labour Office or the World Trade Organization, and any failure to mention a particular firm, commercial product or process is not a sign of disapproval.
