Implement the ILO Recommendation on
HIV and AIDS (No. 200)

“ I’m indigenous. I live with HIV. I’m a son of the earth. I’m your brother. I’m a worker. Together, we can get to zero new infections, zero AIDS-related deaths, zero discrimination and **zero racism** in the workplace and beyond.”

Willy Morales (Chile)

National Director, National Network of Original Peoples in Response to HIV/AIDS (RENPO)
