

344th Session of the ILO Governing Body

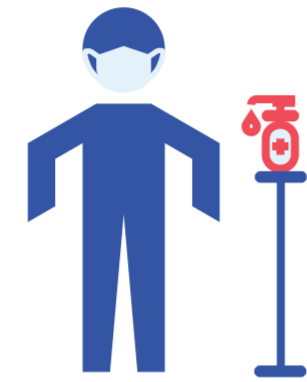

Safety and practical information

As the number of COVID-19 infections is again on the rise in Switzerland, and consistent with ILO and WHO recommendations, some safety and health measures are maintained in the ILO headquarters building. These measures aim to protect constituents and staff, including vulnerable persons, and to limit the risk of COVID-19 infection, quarantine and potential disruption during the meeting.

► Safe distancing and hygiene

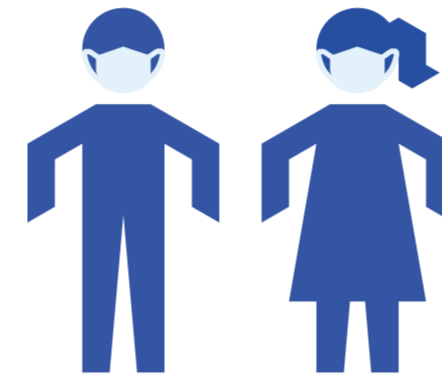

Keep a safe distance of at least 1.5 metres

Ensure frequent and rigorous hand hygiene

► Masks

Always wear an FFP2 mask

Only speakers may remove their mask

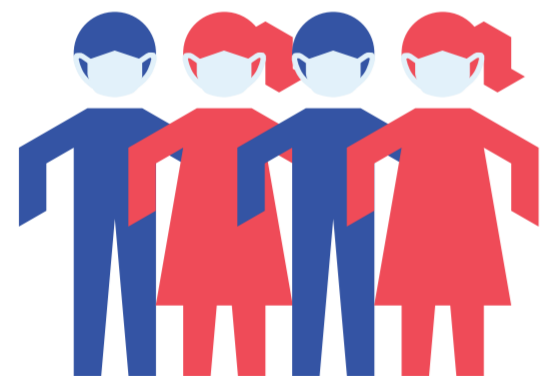

A supply of FFP2 masks will be available

Replace your FFP2 mask daily

► Restaurants and catering

Waiting protocol - organized to ensure safe physical distancing

No cash policy - only debit and credit cards or ILO badges are accepted

Only use the places indicated by stickers on the tables
